R E S P O N S E

Sir:

Applicants received a *Notice of Insufficient Basic National Fee Required and/or Missing Copy of International Application under 35 U.S.C. 371 and 37 CFR 1.495*, dated January 31, 2007, in the above-identified application. A copy of the *Notice* is included with this response.

As requested therein, applicants are required to submit an additional filing fee. However, after discussing the details of the *Notice* with Mrs. Johnson and her review of the PTO database, she stated that \$555.00 were previously paid and that no fees are currently due. Instead, a copy of the international application is required along with Form PCT/RO/101.

A copy of the international publication is submitted herewith. However, counsel does not have a copy of form PCT/RO/101 in his file. Applicant draws the Office's attention to Section 371, according to which copies of the international application as well as any other copies relating thereto may be requested from the *International Bureau*.

It is believed that applicant has satisfied the requirements set forth in the *Notice*, and that formal matters are completed. Mrs. Johnson is respectfully requested to telephone undersigned counsel in case of any further outstanding matters.

Respectfully submitted,

Werner H. Stemer (34,956)
